

WILDLIFE SHOW AND TELL PRESENTATION

Bob Paty a photographer from the Central Florida area will present a slide show with narrative, of wildlife photographs that he has taken over a span of twenty years.

Using a laptop computer with a digital projector the color photographs of birds and animals almost come to life. The stories that he tells are appropriate for all ages. The presentation is strictly for entertainment, however Bob will be happy to answer technical questions at the end of the presentation.

The portion of the presentation on photographs of Florida Bald Eagles will amaze you. You will see photographs of Bald Eagles that seemed impossible to get.

If you need a program for your next church, civic, or business meeting, contact Bob Paty at (321) 267-5546 or
